LAST DATE OF APPLICATION FOR MBBS & BDS 2026-2027

The last date for applications to MBBS & BDS Courses in Tamil Nadu has been fixed as 23rd July 2026, 5.00PM

For the benefit of students, Tamil Nadu Medical Selection Committee had published the list of documents required for UG Medical Application on 28th April and also the application window in Tamil Nadu was opened from 29th June so as to give the students enough time for submitting their applications. Till now Tamil Nadu Medical Selection Committee has received over 41,000 completed applications. With NEET results having been declared on 16th July, the application window will remain open for another week.

Considering the need for scrutiny of all the applications, publication of lists of in-eligible candidates and the need for Grievance Redressal Window for these candidates (Who were found in-eligible during scrutiny) and the expected short timelines for UG medical counselling by the DGHS there will not be any extension for the last date for applications.

Candidates are advised to fill up and submit their applications well ahead of the last date.
